

Dear Parents, Staff and Students

We are posting this message to make you aware of some important information regarding our programming. In addition to being helpful these notifications are required by law.

Each year your school board is required to adopt pupil academic standards in mathematics, science, reading, writing, geography and history. These standards are prominently posted on our district webpage on the “families tab” at the top of the page.

These standards are met throughout the academic career of our students. The course selections and programs available at Menomonee Falls High School and North Middle School where these standards are listed in the course guides on the two respective websites on the “course guide” tab on the left of the school website pages.

The School District of Menomonee Falls does not discriminate against pupils on the basis of sex, race, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap in education programs or activities, and provides equal access to the Boy Scouts and other designated youth groups. If any student feels there has been a discriminatory situation in regard to any of the above named classes or in violation of Title IX, Section 504, or Title ADA, please contact the building administrator or Kathy Young, the Director of Pupil Services, at 262-255-8695 or younkat@sdmfschool.org.

We are hopeful this information is helpful as we partner to deliver the best education possible to all students.
