

# S D M F

# MAJOR CONSTRUCTION

# T I M E L I N E

With the passing of the April 5th, 2016 Facilities Referendum, You voted and approved a \$32.7 million in funding that touches each of our buildings and covers 70 projects, making our schools more efficient, safe and capable of educating our students for a profoundly different future.

**DECEMBER**

**27** .....

## MFHS TECH ED

Construction begins at MFHS in the Technical Education Department. This will be a heavy remodel that updates key parts of our TechEd department.

**MAY**

**15** .....

## NORTH AUDITORIUM

North's auditorium turned 50 in 2016, and hasn't had much in updates since its inauguration. This summer marks a full update of the seating, lighting & sound.

**FEBRUARY**

..... **27**

## SHADY LANE ENTRANCE

Shady Lane Elementary's main entrance is being relocated for safety and accessibility reasons. This includes a redesigned parking lot for staff and visitors.

## NORTH MUSIC ROOM

Construction on North Middle School's new music room also begins. This addition will be located across from the auditorium

**JUNE**

..... **12**

## NORTH TECH ED

North Middle School's TechEd department is getting a full STEM update with collaborative space to allow students to work on group projects and labs.

## NORTH LIBRARY

North's library is getting a full remodel to gear it toward being an information hub and space for group and individual research & work.

## MFHS LIBRARY

The library at MFHS is also getting a significant redesign with dedicated space for the Falls Tech Force & media production.

**AUGUST**
