

2017-2018 North Middle School Athletics and Start Dates (Tentative)

We offer many interscholastic sporting opportunities. Students practice daily and travel to other schools for competition. Before being allowed to try-out or practice for a team, each participating student athlete must have the following items on file:

- A current WIAA physical card which has been signed by a physician, a parent and the student athlete and which contains current insurance information;
- Families must review the District Athletic Code of Conduct booklet located in this Handbook and on North's webpage;
- The Athletic Code of Conduct's signature page must be signed by both the parent and the student athlete;
- A signed Sports Concussion Management Plan Signature Sheet signed by a parent and the student athlete; and
- The \$130.00 per sport participation fee. (\$130.00 per sport with a maximum of four sports per family for students enrolled in grades 6 through 12.)

All of the items listed above must be turned in **PRIOR** to the first day of practice/tryouts. The student athlete will receive a participation card **ONLY** when all of the items listed above have been turned in. Students will not be allowed to practice without a participation card.

In addition, students need to maintain academic grade requirements in order to remain eligible for interscholastic sport teams and activities. The requirements are noted on the back of the physical card.
