

**NORTH MIDDLE SCHOOL PTSO UNFUNDRAISER
FOR 2016/2017**

As we get ready for another school year, please consider donating towards our UNFUNDRAISER. We need your help to continue to support our students and our school.

If you want to contribute to our PTSO but aren't interested in buying things through our other fundraisers, please consider making a tax-deductible donation directly to our school.

North keeps 100% of these donations and they go towards things that **directly impact our students**.... such as field trips, technology needs and other items for our classrooms, student activities, alumni scholarships, and much more! We accept any amount but recommend a donation of \$25 per student to meet our budget goals.

You can complete the form below and send in a check or visit our online store at northmiddleschoolptso.revtrack.net. It's easy to use. Simply select the amount you would like to donate and add it to your cart, then pay by credit card. A receipt is sent to you via email so you will have it for a tax deduction. You can also join our PTSO and purchase spirit wear via this site.

If you have any questions about fundraising at North or would like to help with fundraising efforts, please contact Dawn Hinton at dawnmhinton@yahoo.com.

Please make checks payable to NMS PTSO and **THANK YOU** for your support! Please bring your payment to Schedule Distribution or send it to school with your child.
